

# Whatever Family Festival '11

## FREE FAMILY FUN!

For three decades the people of the Capital region have celebrated the clean-up of the Mighty Kennebec River with a festival on and along the waterway.

The tradition continues in 2011 with more than 150 events and activities – mostly free – over a two-week period. Events are centered in Augusta, Gardiner, Winthrop and Hallowell from June 15th through July 4th.

The Kids Day in Capitol Park on June 25th is Whatever's signature day with more than 80 free events and activities, entertainment and fun.

Thanks to more than 100 businesses and organizations that support Maine's unique family fun festival. From Gardiner's big celebration, June 18th, through Augusta's and Winthrop's exciting Fourth of July fireworks, Whatever is guaranteed to be fun for people of all ages!
